### October Membership Meeting

**October 19, 9:00 - 12:00.**

**Lafayette Christian School**

Dan Bollock will be presenting “The Digital Workshop at the October Membership Meeting. Dan will discuss the use of 3D printing in the workshop and will also touch on CAD programs.

There will be a coffee service at this meeting. We will also have a Show and Tell session and an auction.

This 10” Craftsman Sliding Saw will be one of the items for sale in the October meeting auction. It was donated to the club by Mike Wilson. The saw is in excellent condition and includes the Rockler rolling stand shown in the picture.

### Check out the website

We have been working to improve the website as a resource for members and the public at large. This is a work in progress as we add content over time. If there is something you would like to see on the web site send a message to our email at [wabashwoodworkers@gmail.com](mailto:wabashwoodworkers@gmail.com) or through the contact us tab on the website.

### Dues Are Due

Time to pay dues for the 2024 - 2025 year. WVWW is now able to use credit cards to collect dues. Dues may be paid at the October meeting.

As an alternative we encourage you to pay your dues through the WVWW website at [www.wvww.net](http://www.wvww.net). There is a button on the home page or a tab at the top of the home page that will enable you to pay your dues. Note: WVWW does not collect or store your credit card information.

### November Membership Meeting

The November membership meeting will feature Will Lerums, a staff instructor at the Marc Adams Woodworking School. Will is going to demonstrate creating glass topped wooden boxes on the lathe.

## Feast of the Hunter's Moon, October 2024

WVWW has continued its long-running and very popular participation in the Feast of the Hunter's Moon. Our crowd pleasing success is due to the work of volunteers that set up the wheel, man the lathe, work the booth, and tear the booth down at the Feast's end.

Thanks go out to volunteers David Dunlap, Jerry Marshall, Russ Clark, Dave Greten-cord, Lane Kirby, Ken Sherwin, Norman Beets, Jim & Alison Stoddart, Jim Wilson, Nelson Howell, Rick Miller, and Ed Schools, Special thanks goes to Sean Sasser for taking on the task of organizing the effort.

## **PRESIDENT'S MESSAGE – OCTOBER 2024**

There has been a lot of activity since the last Newsletter. We had a very informative monthly meeting hosted by our friends at Von Tobel Lumber where we enjoyed presentations from Festool, Jet/Powermatic, Ridge Carbide Saw Blades and General Finishes. Nate High with Von Tobel was a wonderful host, and we can look forward to other opportunities with them.

Feast of the Hunter's Moon was this past weekend where we presented our Great Wheel Lathe to the community once again. Thank you to Sean Sasser who organized this year's event and to all of those who helped to make it happen.

We recently held our second Steering Committee meeting of this new club year. As was mentioned at the Von Tobel gathering, we are seeking your help as we contemplate several club initiatives. Below is a list of several ideas for you to consider helping with in some capacity. The list is not exhaustive and if any of you have other ideas, please let us hear from you. If any of you would be interested in pursuing one of these projects, please contact the person indicated. We will all be at the October meeting to talk to you in person as well.
