September Membership Meeting

October 18, 9:00 - Noon

Von Tobel Lumber, 319 N. Earl Avenue, Lafayette

Our first membership meeting after the summer break will be hosted by Von Tobel Lumber in Lafayette. Like last year, Von Tobel is arranging a number of talks by various vendors. We will have a short business meeting and then visit with the vendors. Instead of going sequentially from one vendor to the next, this year all the vendors will be available and you can choose the ones you want to visit with.

Note: There will be **no** auction or show and tell at this meeting. Von Tobel will be supplying dough-nuts and coffee.

Yearly Dues

Traditionally we start collecting dues for the new year at the September membership meeting. Because the meeting will be held at Von Tobel, the process of collecting the dues will be a bit more difficult. We recommend paying your dues via the link on the WVWW web site. It's easy to do and will help prevent backups at the membership table.

Dues will again be \$40 for the year.

President's Message - September 2025

Welcome to the new year for WVWW. We had a busy summer, and September will kick off the club's new year. Highlights of the summer were the annual picnic at Rick and Pat Miller's home. The event was well attended, and we all had a great time visiting and eating. The other summer event was an orientation meeting for all members participating in this year's Feast of the Hunter's Moon in October. Rick Miller relayed much interesting and informative information to the 13 new and veteran volunteers in attendance. Final details regarding this annual tradition will be coming soon.

Be thinking about woodworking topics that you would be interested in hearing more about next year. We are all scheduled for this Fall but are already working on building out the schedule for next year. If you might have an idea outside the box, we would like to hear that too. Maybe a field trip, a shop hop or some sort of a contest or other activity. We will be seeking your feedback soon so be giving it some thought.

Enjoy this Newsletter. We appreciate Ed Schools' hard work putting it together. Remember to use our website as the best resource for current club activities. (WVWW.net) Take advantage of your ability to pay your annual dues on the website too. There is a button to do this right on the opening Home page.

Be safe out there in the shop, see you at Von Tobel soon.
